PRESENTING SPONSORS

AND

The Kiawah Conservancy is pleased to announce Anderson Insurance Associates and PURE as the Presenting Sponsors of the ninth annual Bobcat Ball. The Conservancy is most grateful for the continued support of Anderson Insurance Associates and their partner PURE.

As purveyors of insurance to many homeowners on Kiawah Island, Anderson Insurance Associates and their partner, PURE, regularly encounter many of the problems and concerns of Kiawah Island property owners. Their commitment to providing helpful solutions and service to their clients is not always limited to just the insurance concerns of their customer base. Instead, Anderson Insurance Associates and PURE welcome the opportunity to help protect and improve the communities surrounding their customers.

Anderson Insurance Associates and PURE's sponsorship of the Bobcat Ball is indicative of their commitment to natural habitat conservation, making them ideal partners for the Kiawah Conservancy.

Representatives of Anderson Insurance Associates and PURE look forward to greeting friends, new and old, on the evening of April 26 at the Bobcat Ball.
